Thank you to all our parents for your support throughout the year. Our end of year concert is our opportunity to show our appreciation to the parents, parish and community of Baradine for their ongoing support of Catholic Education in our town. The staff and children put a lot of effort and joy into the performance and we are rewarded by the number of people who come to be entertained.

Our students of 2013 gave their best on Friday night which is also indicative of their general attitude throughout the year. I commend each one of them on their performance in the concert and their positive attitude towards their learning throughout the year.

This year we were led by a large Yr 6 group. I watched them grow in good character, maturity and confidence. These children set the tone of the school where fairness, inclusiveness, best effort and school spirit flourished. Throughout this year I witnessed many children across the school accept the challenge of leaving their comfort zone to try something new, because that is what our Yr 6 students did. They leave a great legacy.

Cinderella CD’s $5.00
A big thank you to Mrs Goard who filmed our concert on Friday night and to Mrs Tym who has made a number of copies. These are available for $5.00 each from the office. All proceeds will go to the P & F.

Music Concert
On Saturday 7 December the music students from Baradine Central School and St John’s Catholic School participated in an end-of-year music concert. The concert was held at the Central School Hall and was attended by friends and family of the music students. Nine students from St John’s performed in this concert: Hugo Bunner, Anna Arndell, Zac Haywood, Ashanti Pennell, Ted Matthews, Cameron Worrell (who also celebrated his birthday on Saturday), Erin Tym, Rohan Tym and Mariah Pennell. The students each performed a solo piece that they have learnt. All the students played beautifully and provided their family and friends with a lovely morning of music. A big thank you goes to all the parents for their support and encouragement and also to the students who put in all the hard work.
