CONCERT & PRESENTATION NIGHT 2016
What a wonderful performance our students put on for the community on Friday night! There were many memorable moments and performances on the night and the audience was kept amused all the way to the end. Well done to everyone for your efforts on the night.

Thankyou to Jenna Flood who worked with the children on their dance routines over the last two weeks. The dance segments were fantastic!

We have recordings of the performance available for purchase from the office for $5 each.

We have included some photos from the Matinee performance in this newsletter. After the performance awards were presented by our prize sponsors and special guests to the following students:

Super cool, super heroes & villains
at
Baradine Library

Tuesday, 17 January
2.30 to 4pm

Learn to Swim

Sport and Recreation’s Swim and Survive lessons

Australian summers usually involve plenty of fun in and around the water, but no parent should forget how important it is to make sure children stay safe.

Sport and Recreation’s Swim and Survive classes for preschoolers and school-aged children help youngsters learn important ways to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs provide wonderful results, and are great fun as well. Plus, family discounts make our program affordable for all the children in the family.

Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW.

Our instructors are nationally qualified and screened for their suitability to work with children.

Prices for nine lessons are $70 for school-aged children and $50 for preschoolers (prices exclude pool entry fee).

For more information or to make a booking, visit sportandrecreation.nsw.gov.au/swimandsurvive or phone 13 13 02
